Audit Access Expires Jun 27, 2019

You lose all access to this course, including your progress, on Jun 27, 2019.

Upgrade by Jun 20, 2019 to get unlimited access to the course as long as it exists on the site. **[Upgrade now](#)**

3.2.4 Three-Part User Story References

Credit for clearly developing an understanding of User Stories belongs to IBM's Agile Center of Excellence, and in particular Paul Gorans of IBM.

His lessons derive from his work developing the Agile With Discipline (AWD) framework made famous by Scott Ambler as an open-source publication called Disciplined Agile Delivery (DAD).
